Business arising from minutes:

New Business:

Shirley attended an RSC meeting last Saturday - from that meeting, it was announced that Ivan Corbett will be replacing Pater Kavanaugh as LSD Manager.

Shirley attended a meeting of the RSC, once the meeting was half over, the meeting was interrupted and Mr. Fitzgerald announced that the meeting was closed, Shirley and a gentleman from Worrall was asked to leave after 45 minutes. This was contrary to what the RSC promotes that all reps from LSD's should be attending.

From this meeting, Shirley also learned that Brad Woodside has removed himself from the Chair of the RSC, proper procedures were in question with Brad chairing the meetings. People did not seem to get any answers from that meeting and many seemed annoyed.

Wendy emailed Peter and copied Ivan concerning the elections for the LSD elections and the Open House for the hockey monies, both dates will be forth coming.

An Open House at the Douglas Church concerning an Quarry in Douglas has been withdrawn, it may be introduced at a later time with a new exit route to be proposed.

Activity Reports:

Sports: KV Arena

The arena is moving along smoothly, the AGM will be the last Wednesday in March and will be at the Lions Club. Renovations are complete and good feedback coming from that. The arena is scouting for a replacement for Dale, he will be retiring in a few years. Graham has not indicated that he wants to leave. The Minor Hockey Association and the Arena are working well together now that better systems are in place for the canteen area.
