

CONSULTATION

DOUGLAS LSD RESIDENTS on ROUTE 620

April 5, 2017

**Meeting Location: North Cardigan United Church, 3040 Route 620,
Cardigan, NB**

Registration: 6:30 pm to 7:00 pm Meeting Time: 7:00 pm to 9:00 pm

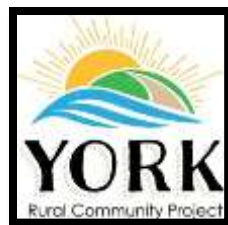

PROPOSED CREATION OF YORK RURAL COMMUNITY

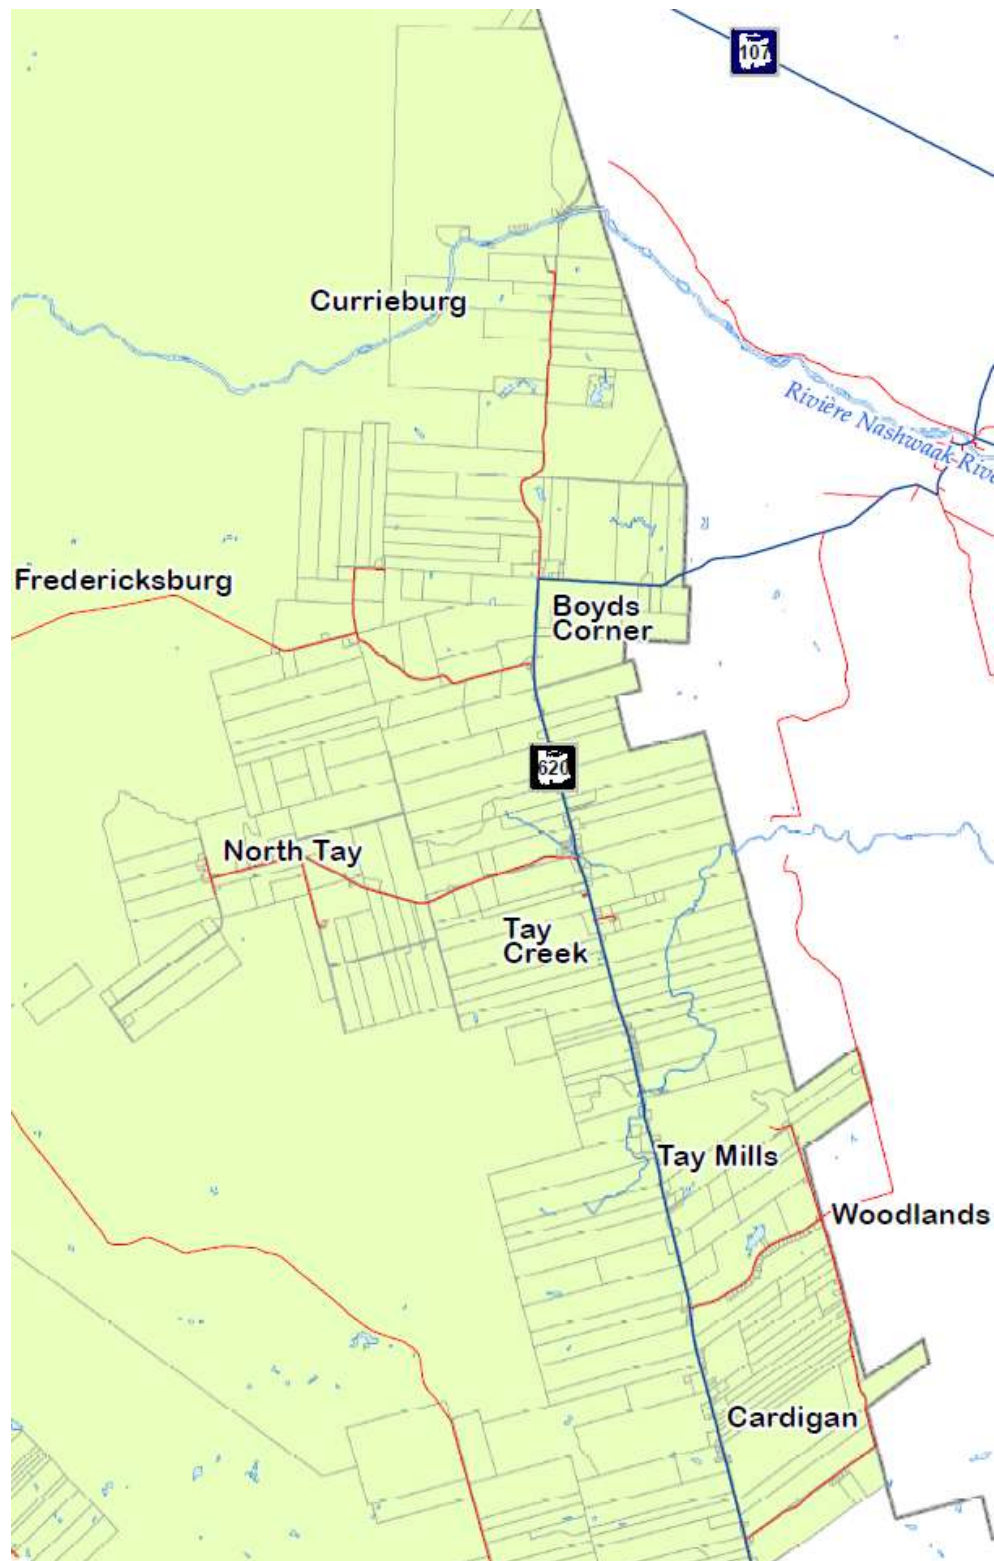

The York Rural Community (YRC) Project Steering Committee, in conjunction with the Department of Environment and Local Government (DELG), is conducting a feasibility study about creating a Rural Community involving the Local Service Districts (LSDs) of Kingsclear, Keswick Ridge, Douglas, Bright and Queensbury.

As a resident of the northern part of Douglas LSD, you have unique options to consider within the YRC Project proposal. You are invited to hear about these options and share your opinions about them at this neighbourhood meeting. If you are unable to attend, you may participate in the many other Public Meetings about the Project that are scheduled to occur between now and August 15, 2017 or you may send your questions or input to yorkruralcommunity@gmail.com and/or Community Restructuring Branch of DELG at 453-3358. A schedule of public meeting dates in Round 1 of the feasibility study's public consultation is available at:
